# The Tomoka Gem And Mineral Society, Inc.

- Promotes the study and collecting of rocks, gems, minerals and fossils.
- Promotes interest in the Lapidary Arts (Stonecutting, both cabochon and faceting).
- Promotes interest in Jewelry Crafts including:
  - Silversmithing
  - Goldsmithing
  - Wirewrapping
  - Casting
  - Bead Stringing.

The Tomoka Gem and Mineral Society, Inc. was formed in 1964 and incorporated in 1966.

- The purpose of the club and annual show is to foster interest and promote knowledge and appreciation of rocks, gems, minerals, fossils and earth sciences as well as encourage interest in the lapidary arts and jewelry making.
- We hope to create more interest in the exciting hobby of collecting and working with semi-precious and precious stones, by teaching the arts of cabochoning and faceting, transforming the stones from a rough to finished form. Also to teach skills in silver and goldsmithing, casting, beading and wirewrapping to enhance and show the finished gems.

- The Club meets monthly with members or guests presenting programs including: demonstrations, videos and discussions pertaining to all aspects of the lapidary arts. The club also conducts field trips for education, collecting and fun.
- Membership in the Tomoka Gem and Mineral Society, Inc. entitles members to attend workshop classes at schools affiliated with the Federation of Gem Clubs. (Juniors are welcome).

WEB SITE:  
<http://www.tomokagms.org>

Membership in the society is open to any one who shares an interest in the many aspects of rock collecting and jewelry making.

Membership Dues:  
Family Membership: \$25.00
